### AUDITOR'S REPORT

Although the client has fully developed culinary skills, an essential bribe when viewing the Debit column, he needs further application if he is to acquire the coveted MOR\* qualification (Master of Runs).

Until that time it is strongly recommended that he be escorted by an articulated MOR to offer advice and correction, particularly his fixation with loops disappearing up his own rectum.

\*The English MOR Examining Board do not recognise the Spanish and Scottish qualifications the client purports to hold.

### FEE

Dispensation is given to this client to pay by provision of further culinary offerings.

#### Directions

"The Other Side"  
Run will start virtually opposite the William Bourne Pub (Kt9 2BQ) which is the on inn but please try to avoid using their car park (DON'T - Teq) which is not huge.  
A3 to A243 junction turn south towards Malden Rushett.  
Left after jmile into Bridge Road signed "West Ewell"  
Pub is on left after a mile but park on the roads but there are no restrictions. What 3 words: range.dice.cool (run start)  
I will not inform the pub as they might say no, but we can go in and the beer is cheap and they do good pub grub. There is a garden just right for the first week in January.

#### Joke(s) ?

I would like to share a personal experience with my friends about drinking and driving.  
This might save you the cost and embarrassment of being arrested for D&D.

As you know, people have been known to have unexpected brushes with the authorities from time to time, often on the way home after a "social session" with family or friends.

Well, this year, it happened to me. I was out for the evening to a party and had more than a few single malts coupled with a bottle of rather nice claret.

It was held at the superb "Sons of the Haggi" restaurant.

Although relaxed, I still had the common sense to know I was slightly over the limit.

That's when I did something I've never done before...I took a taxi home.

On the way home there was a police roadblock, but since it was a taxi they waved it past and I arrived home safely without incident.

These roadblocks can be anywhere and I realized how lucky I was to have chosen to take a taxi.

The real surprise to me was I had never driven a taxi before. I don't know where I got it, and now that it's in my garage I don't know what to do with it.

If you want to borrow it, give me a call.

A lawyer is trying to call his clients. The phone rings and a little boy, in a whisper, says, "Hello"	Boy: (whispers) "No, They're busy too."
Lawyer: "Is your mommy there?"	Lawyer: "Is there anybody ELSE there?"
Boy: (whispers) "Yes."	Boy: (whispers) "The police department."
Lawyer: "Can I speak to her?"	Lawyer: "Well, can I talk to one of them?"
Boy: (whispers) "She's very busy."	Boy: (whispers) "No, They're busy too."
Lawyer: "Is your daddy there?"	Lawyer: "Let me get this straight, your mother, father, the fire department and the police department are all in your house, and they are all busy. What are they doing?"
Boy: (whispers) "Yes."	Boy: (whispers) "They are all looking for me."
Lawyer: "Can I speak to him?"	
Boy: (whispers) "No, He's very busy."	
Lawyer: "Is there anyone else there?"	
Boy: (whispers) "Yes, the fire department."	
Lawyer: "Can I talk to one of them?"

Oh ROMEO ! - ROMEO BROWN - could you not have given some indication -::whispered in my ear - given me just a smidgeon of a suggestion- just a scintilla of a hint - dropped me an email from oz even of your impending coup at Aintree - look I know you don't gain much personally maybe just a pat on the head or a few more quality oats at breakfast lunch and dinner but really what harm would it have done ? - I am not the type who shouts these things from the rooftops I m not even a tipster only a humble reporter and know how to keep my mouth shut when asked but really,-- FIFTY to one...!!

MR SQUIRES Rip you were not much better you could also have let on that you were going to pull a stroke at Southwell recently 12/1 ! 1st of 14 when on the previous occasion you were well down the field. Even the ' hash horse' RIKONA pulled a surreptitious stroke to come in first at 9 /1 at Lingfield as its proud owner gleefully informed me some days after the event

HASHTAG LORD (FR) finished 3rd /9 in the 2m injured jockeys maiden hurdle at Newcastle and HURRICANE HARVEY stormed in at Uttoxeter to beat BALLYMAGROARTY Boy to and ALKOPOP in a near 3 mile hurdle

Despite his convalescence ETEE bravely took on TEQUILAMOCKINGBIRD in a 10 furlong event at Lingfield but the latter prevailed at 11/2

SIR RODNEYREDBLOOD ..(never mention bl.. ...bl...d to him ) aka COME ON TEDDY etc lost out in a sprint at Southwell and finished well behind THEWORLDSGREATESTSHOWMAN 6th( (:One time v proficient RA of Milton Keynes h3 ? ? )

6 yr joint fav DO YOU think was no match for the gutsy 7 yr ROSE of ARCADIA who despite various mishaps forged ahead strongly in a near 3m +FR chase at Dundalk

Also At Dundalk 5yr SHEILA (IRE) was 12/14 in a 10 f h ' cap at 12/1 behind the PECKHAM POUNCER TO and the rest She is out again today at Dundalk So we shall see how that develops .....
