Travel Info:-

Rail: Fast (GWR) trains from Paddington, or Elizabeth Line trains via central London and Paddington, Ealing Broadway, etc, to Twyford. Also from/via Didcot/Reading. Change at Twyford for the Henley branch in all cases. Londoners note especially that Contactless can be used to travel from the London area (or Reading) to/from Henley, but that ***Oyster Is NOT valid*** beyond West Drayton (please don't try it and get a penalty fare!). Also note that rail journey planners may suggest unreliably tight connections (3 mins at Twyford may well be insufficient in the event of any late running) and it may be wise to aim to arrive earlier.

Parking: not easy on Regatta w/e – travel by train/bus/bike if possible – but you may find space at the car park behind the Football Club, off Mill Lane.
