

## Surrey H3 away weekend to Provence (September 2026)

- **Where:** Domaine du Bois D'Amont (<https://bois-damont.com/>), Cabris, France
- **Transport:** Flight to Nice Airport is the closest. Hire car at airport - share car hire costs among 4-5 if you can. Can also catch a train from Nice airport to Grasse (Grasse is 10 mins drive from the accommodation - kind wheeled hasher may collect you?).
- **When:** Check in **Friday 4th September** to Check out **Tuesday 8th September** (4 nights)
  - **Friday** - on site gathering and eating (bread, hams, cheeses, olives, etc etc...beer and wine) at accommodation since hashers will arrive in dribs and drabs
  - **Saturday** - morning, get to know the accommodation (pool, petanque, tennis, Cabris village a 2km walk away; hash run in afternoon (**Hares: Bigfoot and MIA**) including beer stop, followed by On site On On - large terrace overlooking the Mediterranean at our accommodation)
  - **Sunday** - leisurely morning hash forest walk ending in Cabris, for lunch altogether; afternoon...carry on the leisurely party at bois d'umont (??)
  - **Monday** - visit to Grasse, and all it has to offer.
  - **Tuesday** - morning check out
- **Who:** About **38 pax availability, but more can be squeezed in if absolutely necessary**. First options will go to SH3 members only. We are also likely to ask a few members of Riviera Hash, but may or may not have accommodation for them at Bois d'Amont. SH3 founder was also the founder of Riviera Hash. Bigfoot may also have two French hash friends attending, who live nearby and can help with logistics.
- **Cost:** Likely to be in the region of **£260 per head for 4 nights (£65 per person per night)**. Any excess money collected will go to buying food necessities from local supermarket, breakfast, beer, wine and so on. If anything left after that, may go into SH3 Hash coffers??
- **Approximately 50% Deposit** on confirmation of attendance: **£125 per head**.
  - Those that confirm will be provided with bank details to make online transfer.
- **Accommodation:** How to distribute accommodation yet to be planned.
